1200 - 1245 hrs **Panel 1:**
Accelerating Automotive Innovation: Strengthening OEM - Component Collaboration for Next-Generation Mobility

The automotive industry is undergoing rapid transformation driven by technological advancements and evolving mobility needs. This panel will bring together industry leaders to discuss OEM–component collaboration, technology partnerships, localisation, R&D and advanced manufacturing, while exploring opportunities to strengthen supply chains, accelerate innovation and enhance India's global automotive competitiveness.

Panellists

Arjun Jain
Chief Executive Officer
Varroc Ltd

Kedar Taskar
Managing Director
Faurecia Clean Mobility India Pvt Ltd

Suresh Sivalingam
Head of Procurement Production materials
Škoda Auto Volkswagen India Pvt Ltd

Prashant Jagetiya
Director - Strategic Planning and Sustainability
Bridgestone India Pvt Ltd

Prashant Mahale
Vice President - Research and Development
Gabriel India Ltd

Moderator

M S Shankar
Former Sr Advisor and Head Group Innovation & Technology
ANAND Automotive Pvt Ltd

1245 - 1330 hrs **Panel 2:**
Transforming the Auto Aftermarket: Technology, Components & New Mobility

The automotive aftermarket is evolving with advancements in vehicle technologies, digitalisation and the growing adoption of electric and connected vehicles. This panel will deliberate on emerging aftermarket trends, advanced components, digital service platforms, distribution networks and changing customer expectations, while exploring strategies to strengthen the aftermarket ecosystem and unlock new growth opportunities.

Panellists

Vishal Kaul
CEO - Aftermarket Domain
Uno Minda Ltd

Kirti Rathod
Chairman and Managing Director (CMD)
Delux Bearings Ltd

Konark Gupta
President- Aftermarket Products Division
Rane (Madras) Ltd

Rama Shankar Pandey
Executive Director
Paracoat Products Ltd and
Co-founder
Autoverse Mobility Pvt. Ltd

Moderator

Sumantra Bibhuti Barooah
Editor – Technology
ETAuto and ETManufacturing

1330 – 1430 hrs **Lunch & Networking**

1430 - 1515 hrs **Panel 3:**
Scaling India's EV Ecosystem: Localisation, Supply Chains & Global Competitiveness

India's electric mobility ecosystem is creating opportunities across vehicle manufacturing, components, battery technologies and charging infrastructure. This panel will deliberate on EV component localisation, battery technologies, critical materials, supply chain resilience and manufacturing capabilities, while exploring strategies to strengthen domestic capabilities, reduce import dependencies and position India as a competitive global hub for electric mobility.

Panellists

Prashant Nayak
Managing Director
Yazaki India Pvt Ltd

Sudhir Chikhle
VP & Chief Purchase Officer
Tata Passenger Electric Mobility Ltd

Samir Yajnik
CEO and Executive Director
Electra EV Pvt Ltd

Ashish Sharma
Head – Supply Chain Management
EKA Mobility
Pinnacle Mobility Solutions Pvt Ltd

Anand Subramanian
General Manager - Digital Twin Lab
Automotive Research Association of India (ARAI)
