4th Edition
NEXGEN MOBILITY -SHOW -2026-

Confederation of Indian Industry

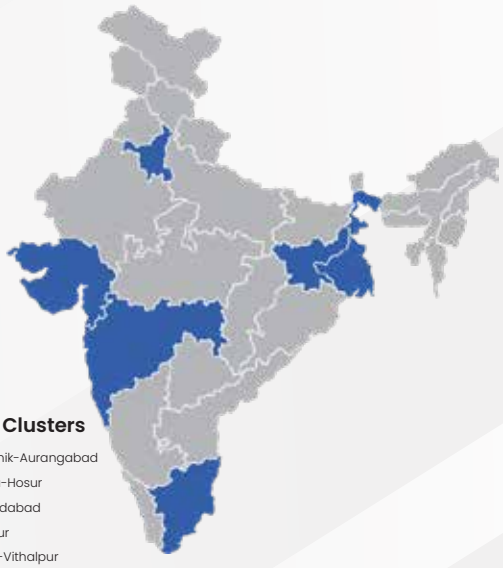
India, the world's third-largest automobile market, employs 32-37 million people directly and indirectly. The theme **"Speed, Scale, Sustainability: Reinventing the Component & Aftermarket Value Chain"** captures the evolving dynamics of the automotive ecosystem as it responds to rising demand and rapid technological change. The aftermarket sector is being reshaped by the need for faster service delivery, scalable operations, and digital integration. At the same time, sustainability is emerging as a key focus, with increased emphasis on eco-friendly components and circular practices. Together, these trends are redefining the value chain to be more efficient, resilient, and future-ready.

About the Event

The **Confederation of Indian Industry (CII) WR** is organizing the flagship International Exhibition and Conference for the automobile industry, the 4**th Edition of the CII NexGen Mobility Show 2026.** The theme is **"Speed, Scale, Sustainability: Reinventing the Component & Aftermarket Value Chain"** and it is scheduled to take place from **19 to 21 November, 2026 at Auto Cluster Exhibition Centre, Chinchwad, Pune.**

This flagship event will bring together the entire mobility value chain, showcasing advancements across Internal Combustion Engine (ICE), Electric, Hybrid, Hydrogen, CNG/LNG, and Ethanol/Biofuel powertrains, along with next-generation auto components, electrical and electronic systems, and mechanical subsystems shaping the future of mobility.

The event will feature co-located platforms including the CII Auto Component Tech Show 2026, CII Aftermarket & Service Show 2026, and CII EV Components & Battery Tech Show 2026, alongside a dedicated Mobility Startup & Innovation Pavilion highlighting deep-tech advancements in AI, predictive maintenance, and fleet technologies. The agenda will cover key areas such as automotive manufacturing, EV ecosystem development, sustainable infrastructure, aftermarket growth, and emerging mobility solutions—driving collaboration towards a scalable, sustainable, and connected mobility ecosystem.



Automobile Clusters

- Mumbai-Pune-Nashik-Aurangabad
- Chennai-Bengaluru-Hosur
- Delhi-Gurgaon-Faridabad
- Kolkata-Jamshedpur
- Sanand-Hansalpur-Vithalpur

Concurrent Shows

CII AUTO COMPONENT TECH EXPO 2026
Engineering the Future of Mobility

The CII Auto Component Tech Show 2026, themed **"Engineering the Future of Mobility,"** will showcase the strength and innovation of India's auto component ecosystem. The show will bring together OEM suppliers across Tier 1, Tier 2, and Tier 3, highlighting capabilities in precision engineering, casting, forging, and machining. It will also feature advancements in automotive electronics, including sensors and semiconductors. Serving as a key platform for industry collaboration, the event will drive innovation and competitiveness in next-generation mobility solutions.

CII autoaftermarket & Service Show 2026
Fueling the Growth of India's Service Market

The CII Auto Aftermarket & Service Show 2026, themed **"Fueling the Growth of India's Service Market,"** will spotlight the rapidly expanding automotive aftermarket ecosystem. The show will feature leading spare parts brands, garage equipment & tools, lubricants, filters, tyres, & emerging digital platforms & aggregator models. It will serve as a dynamic platform for industry stakeholders to explore new business opportunities and trends. A key highlight will be dedicated distributordealer networking, enabling stronger partnerships & market expansion.

CII EV COMPONENTS & BATTERY TECH SHOW 2026
Powering the EV supply chain

The CII EV Components & Battery Tech Show 2026, themed **"Powering the EV Supply Chain,"** will highlight the core technologies driving the electric mobility revolution. The show will showcase advancements in battery technologies, including cells, packs, and battery management systems (BMS). It will also feature key components such as motors, controllers, and power electronics. Bringing together industry leaders and innovators, the platform will accelerate collaboration across the EV value chain and strengthen the charging ecosystem.

CII 4th Edition
NEXGEN MOBILITY SHOW -2026

CII Confederation of Indian Industry

Exhibitor Profile:

- Automobile Manufacturers
- Auto Components Manufacturers
- Batteries
- Oil & Lubricants
- Tyres & Tubes Auto Accessories
- Electric Vehicles
- Service Equipment & Tools
- Research & Developments
- Alternative Fuel & Fuel Systems
- Car Security / Navigation Systems
- Telematic & Connected Technologies
- Bikes & Aero Road Bikes
- EV Technologies
- Automotive Components & Spare Parts
- Transport Vehicles
- Mechanical & Lightweight Technologies
- Garage Equipment & Services
- Automotive Technologies
- Publications

Visitor Profile:

- Automotive Industry Professionals
- Government Representatives
- Trade Professionals
- Technology Enthusiasts
- Industry Associations
- Academic and Research Institutions
- Fleet Managers and Operators
- Investors and Venture Capitalists
- Environmental and Sustainability
- Media and Press
- International Delegations
- Startups and Innovators
- Service Providers
- Enthusiasts and General Public
- Advocates

CII Mobility Startup & Innovation Pavilion

Focus on deep-tech startups (not generic EV startups), AI in mobility, predictive maintenance, fleet tech

The **CII Mobility Startup & Innovation Pavilion** will spotlight cutting-edge deep-tech startups driving the future of mobility beyond conventional EV solutions. It will showcase advancements in AI-led mobility, predictive maintenance, and intelligent fleet technologies aimed at enhancing efficiency, safety, and performance. The pavilion will serve as a platform for innovators to connect with industry leaders, investors, and policy-makers. It aims to accelerate the adoption of next-generation solutions across the mobility ecosystem.

Media Coverage of previous edition

Show highlights

- **3 Days** Mega Trade fair on automotive & mobility sector
- **50,000+** Sq.feet Exhibition Area
- **200+** Exhibitors Domestic & International Brands
- **8000+** Focused Business Visitors from Industries, Trade & Government

About CII

The Confederation of Indian Industry (CII) works to create and sustain an environment conducive to the development of India, partnering Industry, Government and civil society through advisory and consultative processes.

CII is a non-government, not-for-profit, industry-led and industry-managed organisation, with over 10,500 members from the private as well as public sectors, including SMEs and MNCs, and an indirect membership of over 365,000 enterprises from 332 national and regional sectoral industry bodies.

For more than 130 years, CII has been engaged in shaping India's development journey and works proactively on transforming Indian Industry's engagement in national development. CII charts change by working closely with the Government on policy issues, interfacing with thought leaders, and enhancing efficiency, competitiveness, and business opportunities for industry through a range of specialised services and strategic global linkages. It also provides a platform for consensus-building and networking on key issues.

Through its dedicated Centres of Excellence and Industry competitiveness initiatives, promotion of innovation and technology adoption, and partnerships for sustainability, CII plays a transformative part in shaping the future of the nation. Extending its agenda beyond business, CII assists industry to identify and execute corporate citizenship programmes across diverse domains, including affirmative action, livelihoods, diversity management, skill development, empowerment of women, and sustainable development, to name a few.

For 2026-27, CII has identified "Accelerating Competitiveness: Growth, Resilience, Inclusion, Sustainability, Trust" as its theme, prioritising five key pillars. During the year, CII will align its policy advocacy, institutional initiatives, partnerships, and outreach to support Indian industry in strengthening these five interconnected pillars of competitiveness.

With 70 offices, including 12 Centres of Excellence, in India, and 9 overseas offices in Australia, Egypt, Germany, Indonesia, Singapore, UAE, UK, and USA, as well as institutional partnerships with 255 counterpart organisations in 102 countries, CII serves as a reference point for Indian industry and the international business community.
